## **LET'S MAKE MUSIC!**

Your child is invited to join us in the happy exploration of music - rhythm, melody, history, diversity, feeling, instruments and just plain fun.

Music is so naturally a part of every young child. We're going to help to make that music come out and be expressed. We'll ask, "What is music?" "Where is music?" "Who makes music?" There will be singing, playing instruments, dancing and moving. All of this will be integrated into the familiar Montessori prepared environment. There will be snacks and art activities to enjoy. We plan to have a relaxed and pleasant environment. Please bring a lunch and a complete change of clothes for your child each day.
